

GILBERT AND ELLICE ISLANDS COLONY.

S. G.

Island of Tamana,

No. 17.

28th July, 1938.

Sir,

With further reference to para.10 of my letter No. 4 of the 1st May, I have the honour to forward a suggested specimen page for the "Communal Work Exemption Book" required by Regulation No. 3, section 5 (a), of the new revised code of Island Regulations. A free English translation is also enclosed.

2. The specimen page provides only for exemption for the entire season, as it has been already recommended in para. 7 of my above-mentioned letter that the day to day exemptions permitted by Regulation No. 3, section 5 (b), should be deleted for the present from the new code, to be introduced later should the simpler form of exemption prove a success.

3. I would suggest that, should His Honour approve the form, 100 books of 100 forms each should be printed, with a perforated line separating the form from the counter-foil. Should the printing be entrusted to the Beru Mission Press I should be glad to supervise the work.

I have the honour to be,

Sir,

Your obedient servant,

(Signed). H. E. Maude.

Commissioner for Native Lands,

Gilbert Islands.

The Acting Secretary to Government,
Gilbert and Ellice Islands Colony,
Ocean Island.
