MEMBERS of the University Anthropological expedition to the Warburton Ranges, who will return to Adelaide on Friday, after an absence of six weeks. They are seen with their well-laden truck about to leave Laverton on their journey into isolated country, where more than 100 natives were studied. The expedition returned to Laverton on Monday. From left: The driver of the truck, Messrs. C. P. Mountford, E. O. Stocker, N. B. Tindale (leader), and Dr. C. J. Hackett.

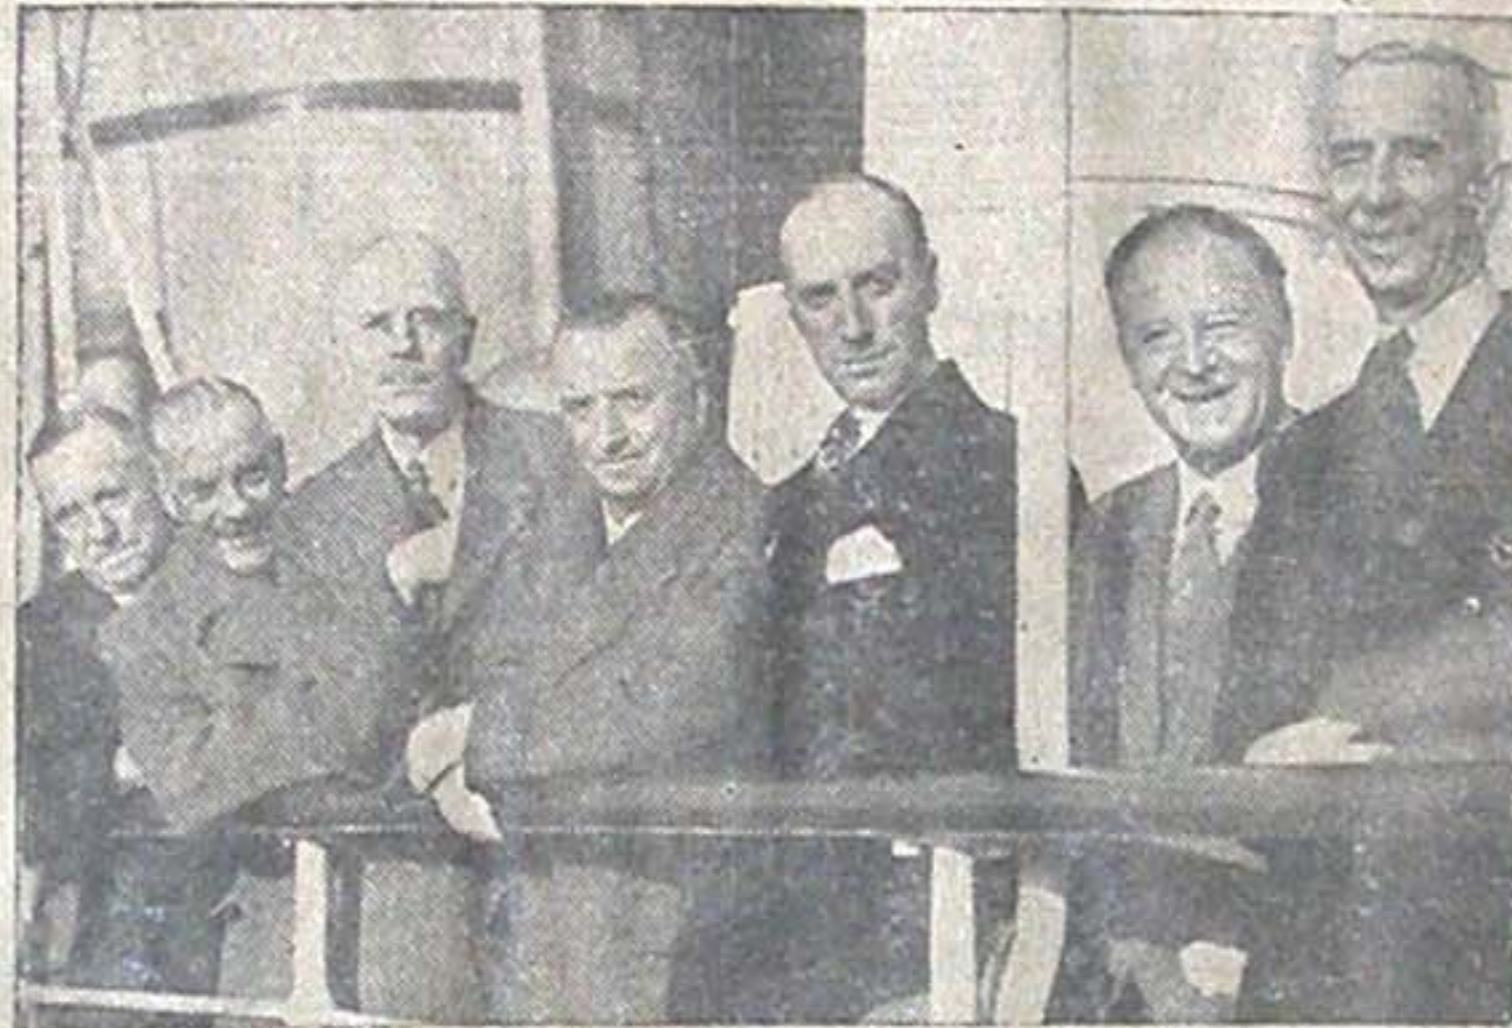

Mr. T. E. Barr Smith

for his striking plea to the Governments for a stringent reduction in costs, which, he says, seems to be the only solution to our economic troubles.
