My dear Ron,

Many thanks for sending me the sections of your paper on dispersion on a sphere. I haven't had time to do more than glance at it as I have been just clearing up things before going off to India. I fear, however, that I shall be fully occupied there so I won't take it with me but am returning it now. If it is not printed by the time I get back I will write and ask to see it again.

Yours sincerely,

Professor Sir Ronald Fisher
