

28 April 1932.

Major I. Darwin, Sc.D.,  
Cripps's Corner,  
FOREST ROW,  
Sussex.

Dear Major Darwin:

I have had a shot at the very difficult job of reviewing Hogben for Health and Empire, I think Mrs. Rolfe's journal. I enclose it in case you felt moved to suggest anything about it, but please do not let yourself feel responsible for solving my obvious difficulties.

Yours sincerely,
