CRIPPS'S CORNER,
FOREST ROW,
SUSSEX.

Dear M^{rs} Fisher,

I was very sorry to hear this morning that M^r Fisher would be unable to speak next Thursday because of illness. If you can find time, I should be very much obliged if you would tell me what is wrong with him. Is it at all serious? Is he at home or gone to a nursing home? Have you good medical advice? And how about nursing?

Forgive me troubling you

Yours sincerely

Leonard Darwin
