

From MAJOR L. DARWIN, Cripps's Corner, Forest Row, Sussex.

Daughter writes to say they will
reprint C.G.D.'s review of you in
Eugenics. I am sorry he did not
take the suggestion of the other review
you named; but Wagners must not
be choosers. The J of H. has not yet
reprinted any articles. I don't know
if they will. No answer

L.D
