

"So glad you are glad". I wonder if  
you left out one sheet of his  
notes you sent. Only one sheet came,  
which seemed to me to begin in  
the middle of a sentence. I am  
writing to C. G. D., but feel nearly  
certain that it is too late to correct-  
review. Certainly keep copy you have  
made of his letter. I guess I shall  
hear from you in reply to my  
last.
