

I must tell  
what you say  
about Harzard

Dear Fisher.

See enclosed from  
Allen to me, and kindly get  
Mr. Colyer to return it to  
me. It explains why I think  
we had better not mention  
~~the matter till we are quite~~  
certain. If we mention his  
death without mention of his  
wife, it might look as if we  
were in a bad way. I am  
going to try to get this to you  
for your meeting today.

Yours in haste

Edward Dawson

My dear Fisher.

Possibly you may like to have a copy of enclosed, which anywhere I like to send. Don't trouble to acknowledge till you happen to write.

Yours sincerely
