

22nd. March, 1930.

Major L. Darwin, Sc.D.,  
Cripps's Corner,  
Forest Row,  
Sussex.

Dear Major Darwin,

Many thanks for your news. I agree most strongly that our business is at first not to spend the money, until bit by bit the few useful ways of spending it separate themselves from the many useless ways.

My book has arrived at last, and I am only awaiting an undamaged copy to send you one.

Yours sincerely,

*I have written to Mrs. Bide advising  
the need for caution.*
