CRIPP'S CORNER,

FOREST ROW,

SUSSEX.

Dear Fisher.

I suspect the enclosed agreement is all right, and I advise going ahead. If you get into trouble over clause 8 or elsewhere, do let me know.

Amchair Science, a new review, wrote to say that I had told them that I ~~am~~ might be able to write an article for them this summer. I can't remember having done so, but if it is a lie, it is so well told as to merit attention. I have therefore written enclosed.

Please see if you approve of note
on p. 6, and in what form.
Also if you will read and
tell me if you think it is
fit for amechan reading, I
should be obliged.

Yours sincerely

L. Darwin
