CRIPP'S CORNER,
FOREST ROW,
SUSSEX.

My dear Fisher

Just a line to say I
was sorry not to have a chance
of passing the time of day
with you last night, you no
doubt having to catch a train.
Something you said in a recent
letter made me wonder if
there was some fossil here
you have to hunt. If so,
I hope it will be a profitable
chase. And I am sure it

with only mean the great-
work postponed.

Do not trouble to answer
if nothing particular to
say

Yours sincerely

Leonard Dawson
