

May 22. 35
CRIPPS CORNER,
FOREST ROW,
SUSSEX.

Dear Fisher.

I am very glad that you
are going to have the serological
work in your Lab. St Penrose is
as good a man as you hold,
that perhaps is the best answer
to what I said about the Cambridge
Studentship. If a ^{really} good man is
turned out once in each 4 or 5,
I think it is perhaps as much
as can be expected

Yours sincerely

L. Darwin
