My dear Fisher,

I think the Libbetts
incident might be
brought to Hazell's notice
if it is as serious as it
seems to be. If you
agree will you take
the necessary steps.

I hope you'll
sleep better to-night, I
don't expect I shall

as I shall be thinking all
the time that I conducted
two-days proceedings
very badly!

No answer

Yours sincerely

L. Darwin
