CRIPPS'S CORNER,
FOREST ROW,
SUSSEX.

My dear Fisher.

I like your memo on the Income Tax. It puts it all very clearly. I don't know why on the 3% on total income plan you begin at £1500 a year. Does not this make an awkward jump at this income? And should there be a higher limit? I hope to be at the meeting next week, when this will be

discussed. No answer till
then

Yours sincerely
