CRIPPS'S CORNER,
FOREST ROW,
SUSSEX.

My dear Fisher

I shall be having some
tea at 4.30 or so on Wed-
nesd., before your lecture, at
the J.V.S. Club, Charles St.
Will you join me there? No
need to answer.

Mr Hudson took the news
very well. I find that it
would be very difficult to
alter the format in the Jan
number, because that is the
last number in a volume.

All else in the scheme could
go ahead, and any statement
could be made.

Yours sincerely,

Samuel Dawson
