CRIPPS'S CORNER,  
FOREST ROW,  
SUSSEX.

My dear Fisher,

I suppose that the papers connected with the next Council Meeting will go out before long. I shall be much obliged if you will look through the copy of the letter to the Chancellor of the Exchequer when you get it to see that it is alright. I return a letter you sent to me

On the subject - some time ago  
as it may help you in checking  
the figures. I hope you have  
had a good time at your various  
outings. I am off to Amster-  
dam next week and wish  
I was home again.

Yours sincerely  
J. Darwin
