CRIPPS'S CORNER,  
FOREST ROW,  
SUSSEX.

My dear Fisher,

Would you kindly  
read the enclosed letter to  
Hills and let me know briefly  
where you agree and where you  
disagree. I don't quite  
know what percentage to put  
in my proposed plan.  
The rich man can as you say  
always put money in Trust  
for his children

An early answer will oblige

Yours sincerely

My case was at my  
Club. I hope you  
caught your frame, but  
I think it was 2 lbs  
against you.

I may be muddled in  
this letter. So I send it  
to you!
