CRIPP'S CORNER,
FOREST ROW,
SUSSEX.

My dear Fiska.

Here with long letter from
Storenson. I am sure that he
means to be friendly, though
he may write a little bluntly.
That is his way. I should
think another talk would be
the best thing. He says we
must go on. But how?
I am a bit under the weather,
shaking off a cold. So I have
not grasped all the points at
issue. His first point seems to

The only verbal, & 9-20
Consequence. I guess he does
not understand what you
want about females. But all
that is for discussion. Let me
have his letter back when
quite done with. I don't know
if you want the memo.,
but send it in case. I
want to study it again before
very long, but hope ^{soon} to get his
prop. Don't write unless you

have anything to say. My
address on Monday, Tuesday
& Wednesday nights next will
be The Orchard, Huntingdon St.
Cambridge.

Yours sincerely

Samuel Dawson
