Dear Fisher.

Thanks for your memo. I have read it once hastily, & it seems to answer the purpose excellently. I have initialed one copy & sent it to the Office for the Review. I am not quite sure what you think best - about sending a copy to the R.G. Shall I send ^{the} other ~~one~~? And how about Stevensa? I am very anxious to get him on the register

lines - are you going to
tackle him somehow.?

Let them know at the
office if you want it put up
in type at once.

Yours lastly

L. Dawson
