CRIPPS'S CORNER,
FOREST ROW,
SUSSEX.

Dear Fisher.

I have had no answer from the Registrar General about an interview, which is odd. I send you an earlier letter from Stevenson, which may be worth reading. Please return.

I sleep at Brooks's, St James's St, S W 1 on Tuesday & Wed, May 10. & 11. I should get letters here

on Tuesday morning; but
if writing from Herpenden
Monday aft. it would be
safer to address to Brook's.

Yours sincerely
A.D.
