SURROGATE
COURT
CHIEF CLERK

My dear Fisher.

There is one point in connection with my amendment to the rules about office work about which I am puzzled. I have always made a habit as Chairman of a good many bodies of going through the agenda before hand with the Secretary. I find I can manage a meeting much better in consequence. Now if I go through things before the meeting alone with Mr. H., she may

I think, be inclined to put
off till that talk some
decisions which, according to
the new rule, should go to
the Hon. Secs. first. It I
don't go through the Agenda with
her, and wait till the
officer's meeting to do so, it
will take up some of the
short-time then available, &
will result in discussions then
arising which had better
take place at the Council.

Could it be so arranged, what
I should have liked would
have been to go through the
agenda with one Hon-Sec &
Mr^{rs} Hudson. This is, however,
I feel suggesting too much of
a strain on the Hon-Secs.
The only convenient time
would be either Tuesday
afternoon before the
Council, or 12 to 1 on the
Council day - after which
I should have to have a
rest before the Officers meeting
at 3.0. I have thought it
best to let you know exactly
what is passing in my mind,

though frankly I don't think it
will be practicable to talk in
with these last suggestions.

Possibly you would talk this
matter over with Cutler some
day and let me know what
you feel.

I have sent our decisions to
Mrs H., but have had no
reply yet - I think she will
not get my letter till tomorrow.

Yours sincerely

Leonard Daw

I can't remember to
address you as Dr. Fisher.
