CRIPPS'S CORNER,  
FOREST ROW,  
SUSSEX.

My dear Fisher,

I see that there is  
an officer's meeting  
called for 3.30. on the 5<sup>th</sup>  
of October. I am not keen  
on attending but I will  
do so if you or Cutter think  
it will be advantageous.  
Perhaps you would see him  
sometime and let me know

CHURCH COUNCIL  
FOR THE  
BISHOP

What one thinks about it so that  
I get your reply not later than  
Monday next. On another  
point, would 12.30. be a more  
convenient time for you ~~and~~<sup>or</sup>  
Cutter to be at the office on  
the day that the Council  
meets. If I remember right  
that would fit your train rather  
better. I will be there at what-  
ever hour is suggested and if  
either of you can turn up, so  
much the better. Of course I  
understand that that may be  
impossible in many cases.  
Just back from Holland, and very  
glad to be back.  
Yours sincerely  
L. Darwin M.D.
