CRIPPS'S CORNER,
FOREST ROW,
SUSSEX.

My dear Fisher

Just - a line to say that
I shall not be in Cambridge
on the 9th, or I should have
much enjoyed dining with
you. I guess you won't be
there either!

As to terms, I don't believe
I understand my own suggestion,
and so far your mathematics
has not cleared my brain. I
will try to think, and in any
case I hope you will keep it
in view.

Yours in haste

L. Darwin
