CRIPPS'S CORNER,

FOREST ROW,

SUSSEX.

My dear Fisker.

It is very kind of you to trouble yourself about the review of my book. Your suggestion seems to me very good; but the Dean ~~unwillingly~~ expressed a desire to Mr. H. to review it in our review. It seems to me it would be politic to accept this offer. I don't like to take the responsibility myself, and I

am asking Mr. H. to consult
 Mac Bride. He - the Dean -
 was very pleasant - to me
 yesterday, & I feel sure he
 won't take the chance of
 being unpleasant - about
 Sterilization. If he should,
 we must get him answered.

Yours kindly

L. Dawson
