Dear Fisher

Sir Bernard Inghelton
has been doing useful work
in connection with the edu-
-cation Committee and I
am thinking of suggesting at
the Officers meeting which
will be held I suppose at
5 o'clock on March 10th
that he should be made a
member of the Officers'
Committee. Should that-

committee approve of that sug-
-gestion. The only difficulty is
the exact way in which it
should be carried out.
