Gunby Hall,
Burgh le Marsh,
Lincolnshire.

Dear Fisher.

Thanks for more
proofs. I return them with
red cross, and also send
some new ones.

Someone has questioned the
long note on p. 24 about
reversion to the mean. I think
with the slight correction you
suggested, it is all right.
I believe it was practically
your wording.

You have made some
valuable corrections again. I

Struck out the blundering
Sentence of p 120 about
Mendelian variation, & put
in something innocuous & hope

Yours sincerely,

A Dawson
