*Saturdays excepted.*

52, UPPER BEDFORD PLACE.  
LONDON, W.C. 1

P.B.

October 12th, 1925.

My dear Fisher,

Yes, it was Tuesday the 13th that I asked you to dinner. Possibly you have not read your notice of meetings sufficiently carefully to see that I am holding forth.!!! I hope you will come on with me after being present at that meeting; not that you will miss much if you are not there, as it will be mighty dull.

Yours sincerely,

*L Darwin*

President.
