My dear Fisher.

Many thanks for your  
kind note. Then I will be  
announced as taking the chair  
at Bunslee's meeting  
and will in all probability  
do so. I am sending you in  
another envelope some  
printed matter which keeps  
a diary, read unread,

as you like. I have not read  
a line of them.

Yours sincerely  
L. Damini
