CRIPP'S CORNER,  
FOREST ROW,  
SUSSEX.

Dear Fisher,

I am very sorry to find that objections are likely to be raised in a certain quarter against Cutter being made an hon. Secretary. Possibly they will blow over but I fear not. I think therefore for his sake as well as for the sake of the Society the matter better drops. I shall see him next Thursday and could tell him so myself if you like, or if you think it will make

As far as you to speak to  
him yourself you can say  
that amongst other things  
Miss Cory is thought to have a  
pre-claim and that  
that is an arrangement  
which I feel would not  
work. Please reply to me
