CRIPPS'S CORNER,

FOREST ROW,

SUSSEX.

My dear Fisher.

As we have some birth
-control meetings coming on,
I have been clearing my
mind by putting down
some notes. I should be
much obliged if you would
read from the bottom of
page 5 to the middle of
page 6, and let me know
if you think I have stated
the problem correctly.

Of course read as much more

as you feel disposed; but
it is that part specially on
which I should like your
opinion. I know we don't
see quite alike, but that
makes your opinion all the
more valuable to me.

No hurry. If you see
coming to the next Council,
to bring it then would do.

Apologize for trouble.
Has Pearson gone for you
yet?

Yours sincerely

L. Dawson

I don't know if I shall ever
use these notes.
