

February 11^A. [1921?]

CRIPPS'S CORNER,
FOREST ROW,
SUSSEX.

My dear Fisher,

I have forgotten to write
to Bowley about speaking at
the Galton dinner and I do
not know his address. Would
you kindly write him a
line to ask him if he wd.
be good enough to speak
for say 5 minutes to
vote of thanks to Professor
Pegari. It would do well

everyone if he would let you
know at the dinner.

I have not settled on any
other speaker but hope
somebody will turn up.

Yours sincerely
Leonora Darwin
