CRIPPS CORNER

FOREST ROW,

SUSSEX.

Dear Fisher

I had a note from
Gini, asking me to write an
article in *Metric*. I shall
reply 'no' soon, in qualified
terms. So I could easily
open up about your paper.
My idea, however, is that
R.S. J would be best for you.
If they don't print mathematics
they had better shut up.
I shall go ahead with them

unless I hear to the contrary.
I think you will want a
beginning to state in
general terms what you
are driving at — or rather
state it more fully. This
can be done after or before
I see them.

Yours very truly
