SUSSEX.

Dear Fisher,

Thanks for your nice letter about the Beagle. I am glad that you liked getting it. Did you notice what is said about Admiral Melkerish on the top of p XXIII? It is a family story I remember well. He had died well!

Have you seen enclosed? I can't understand it, and don't want to see its face again. If it is bosh, throw it away without notice.

Yours sincerely

L. Darwin.
