

[June 1933?]

216

CRIPPS'S CORNER,
FOREST ROW,
SUSSEX.

Goddard was Secretary to the
Surveyor's Institute, and I had
a good deal to do with him in
regard to the Professional Clauses
and Council. I think he is
the best-advice I can get.
Post this if you agree that
it is all right - & the best
thing to do.

L.D.
