

June 14-33

CRIPPS'S CORNER,

FOREST ROW,

SUSSEX.

Dear Fisher.

If you miss the 5.50 from

Victoria or London Bridge, the
following trains are available. Victoria

6.10 or London Bridge ~~6.30~~^{6.16}

arriving Forest Row ~~7.35~~^{6.57}. You can,

I think, get from King's Cross to
London Bridge by underground

direct without a change via
City Road.

~~Shoreditch~~. I think. But you know
this probably better than I do.

Probably the 5.50 from d. 13.

necessitates a change somewhere, as
does the 6.10 from Victoria, I think.

The car will wait at Forest-
Row anytime from 7.11 to
8.7.
~~7.59.~~ We are 3 miles from
the Station. If, by some mishap,
nothing meets you, walk to the
Forest-Row Garage, and get
a motor to drive the 3-
hilly mile to here.

Congrats. from an old-
pessimist like me might bring
bad luck; so I shall not send
them till you are bang certain.
Then they will come quite hot.

Yours sincerely

Leonard Dawkins
