January 12th

My dear Ron,

Thank you ever so much
for your letter. It is indeed
wonderfully kind of you to take
all this trouble.

Your suggestions in
regard to the programme are
admirable, and just what I
should wish. It is so good of
you to explore the possibility of
a dinner and accommodation in
Caen.

Our next Committee meeting is arranged for the morning of February 11th (a Friday). If it is now possible for you to attend it, that would be admirable as we could go into the whole question, including dates, then.

With my most-pateful thanks,

Yours truly,

Henry
