My dear Ron,

How immensely kind of you. I do  
so much appreciate your invitation to the Pense  
dinner. That will be a delightful occasion with  
you, and give us opportunities for our exciting  
discussions.

So, all well, I will come to you  
on Friday December 17<sup>th</sup> and remain until the

Monday (20<sup>th</sup>) if I may.

I will send you the triangles  
and full information in a day or two. This  
is a short note only to reply by return to  
your most-kind invitation, which I truly  
appreciate.

Yours truly,  
Henry
