My dear Henry,

I am so glad that I can expect you to come and stay a night or two in College with me. Provisionally I think we might say towards the end of this month or the beginning of June, when you feel clearer as to dates. I am glad to hear that the picture book will soon be off your hands, as it must have let you in for an awful lot of work. It is really exceedingly hopeful that they are thinking of so large a first edition. I am sure, however, that it will deserve it.

Sincerely yours,
