

1st February, 1954.

My dear Henry,

There is a R.S. club dinner on Thursday February 11th and if you were thinking of making a visit to this department earlier that week it might suit very well as a farewell party since you could go back to Oxford more comfortably through London than Bletchley. Let me know if it is likely to suit.

Sincerely yours,

*I have just seen yours*

*Perhaps you will stay Tuesday & Wednesday nights Feb 9, 10*

*(to Oxford. If necessary please send)*
