

21st December 1933.

Professor J.Huxley,  
King's College,  
Strand.

Dear Huxley,

Could you let me know by return post whether you could attend a meeting with Bramwell and the Biological members of Council on Tuesday morning January the 9th at 11-30 at the Galton Laboratory.

If possible I should like to have a Family Allowance meeting on the afternoon of the same day, and for convenience could arrange that also at the Galton Laboratory.

Yours sincerely,
