

25 September 1930.

Prof. Julian S. Huxley,
Zoological Dept.,
King's College,
Strand, W.C. 2.

Dear Huxley,

I will be at King's soon after 2.0 p.m. on October 1st.
We must not let Blacker lose his nerve about the sterilisation
proposals; opposition is to be expected, and the best propa-
ganda is I believe rather aggressive.

Yours sincerely,
